No, TCR's are done same day. They'll be able to order tonight. Melenie should know this- TCR's are commonplace.

Amanda,
Thank you for notifying Melenie of the threshold she is approaching.
Can you please have the threshold increased by 3000.
This will be an increase from 9000 to 12000.
Her store has picked up additional volume hence the need for the increased controls.
I have to follow up with her on a few topics tomorrow.
Can you please let me know if there is any additional information I can request from her to allow the increase to go into affect. Please let me know the estimated time frame it will take, and confirmation when completed.

Thank you for your help on this
Dave
